Working together for a safer London

Metropolitan Police Service Callsign Allocations

Scope:

The purpose of this documentation is to publish all the vehicle callsigns assigned to each Metropolitan Police vehicle used within AxielPD. As much as we aim to keep our allocations as realistic as possible to real life situations, it may be seen that some allocations have been altered to suit the needs of the server/ assets.

Disclaimer:

Any information on this document is created for the purposes of AxielPD only. Under no circumstances can this information be copied, edited or used elsewhere without direct permission prior. AxielPD is not in any way affiliated with any emergency service in real life. This document is solely fictional and created for roleplay purposes only.
